

"At The Core of a Better Life"

The Management of Suan Farma S.A.U., aware of the importance that meeting the needs and expectations of stakeholders holds for the company today, deploys the necessary resources to ensure that its activities of Import, Export, and Distribution of Active Ingredients achieve definitive public recognition through the establishment of a Quality Management System based on the requirements set by the UNE-EN ISO 9001:2015 standard.

Mission

SUANFARMA EXISTS TO FOSTER HEALTHIER LIVES IN A SUSTAINABLE WORLD

We achieve this through the development, manufacturing, and distribution of quality ingredients for the pharmaceutical and nutraceutical industries in an innovative and sustainable way.

At Suanfarma, we are at the core of a better life: Our **active ingredients** are the core part of medications and nutraceutical supplements that improve the lives of millions of people and animals every day.

We employ **science** and **innovation** to have a positive impact on the lives of many individuals, enabling them to live healthy lives regardless of their personal or social circumstances.

Vision

CREATE MORE VALUE FOR OUR COMMUNITY

- Contribute to increasing the turnover of medicines from our client laboratories to end-customers.
- Generate new job opportunities.

REDUCE OUR ENVIRONMENTAL FOOTPRINT

- Significantly reducing electricity consumption each year.
- Minimizing water usage annually through efficiency measures.

DEVELOP OUR POTENTIAL

- Increase our fermentation production capacity.
- Generate intellectual property in the form of proprietary APIs.

Values

COMMITMENT

- **Dedication** and responsibility to fulfill our goals and mission.
- **Commitment** to improving people's health.
- Meeting appropriate **ethical** and **quality standards** and ensuring that our products are safe and effective.

EXCELLENCE

- Constant pursuit of **quality** and **improvement** in all aspects of the company.
- Continuously **enhancing customer service** and satisfaction through ongoing evaluation and refinement of internal efficiency, work culture, and performance.
- A benchmark in the pharmaceutical industry, **contributing to the well-being of people and animals**.

PASSION

- **Dedication** and **enthusiasm** for our work and mission.
- Our colleagues are passionate about **enhancing people's lives** through an entrepreneurial mindset of innovation and the development of new products and technologies.
- Our employees are deeply committed to understanding customer's needs and offering tailored solutions that meet specific requirements.

NO LIMITS

- Constantly striving to **exceed expectations** and achieve new levels of success.
- We are **always working to improve** our products and processes, and to reach new targets and goals in drug research and development.
- **Continuous improvement** is an integral part of scientific progress. We are committed to advancing science and improving people's lives.

WE ARE ONE

- We **work together as a team** toward a common goal, and each person is valued and respected for their contribution.
- **Diversity of viewpoints** is encouraged, with inclusive teams that help to come up with ethical and innovative solutions. This is reflected in a collaborative and team-spirited culture, where we work together to make a positive impact on society.
- **Open and transparent communication**, efficient teamwork, and a culture of mutual support.

The necessary mechanisms have been established to ensure that throughout the organization, the Policy described is known, understood, and implemented.

Mr. Pere Mañé Godina. CEO
